

MISSION
of the
Office of Training

25X1A

The Director of Training shall develop and direct Agency training programs and review Office training programs; represent the Director of Central Intelligence on subjects related to training; participate in the formulation of the policies and plans of the Career Service Board; determine requirements for Agency training facilities [REDACTED] in accordance with the applicable provisions of Public Law 110 (81st Congress, 1st Session), provide for Agency participation in training programs at appropriate external facilities, public and private, in the United States and abroad; and establish and maintain standards of achievement for Agency personnel in Agency training programs.

(Quoted from Agency Regulation [REDACTED]
18 January 1954)
